

Heartbeats
Hope...Help...Healing

Heartbeats for Life envisions a world where every human life is cherished and protected both in the womb and in strong families.

Heartbeats Legacy Society

In celebration of our 50th year, in 2019, Heartbeats for Life created a special legacy society to recognize supporters who help ensure that the organization will be healthy enough to sustain its mission for the next 100 years. Our annual donors are vital to our mission, but this particular recognition is for people who have invested in the future by making a planned gift in their wills, trusts or estate plans.

As a Heartbeats Legacy Society member, you'll receive a certificate and recognition inside our facilities.

Planned gifts allow Heartbeats to build our endowment so that more of our staff's time can be spent focused on our mission serving the people of our community with the love of Christ as a life-affirming pregnancy medical resource center.

Our organization has deeply rooted support and we believe the Heartbeats Legacy Society is just one more illustration of the difference we're making for people in Licking, Perry and Muskingum Counties.

Please notify us today if you've included Heartbeats in your will, trust or estate plans so that we can recognize you as a member of the Heartbeats Legacy Society.

Heartbeats' life-affirming work is vitally important to me. In honor of this mission, I've recognized the organization in my estate plans. I'm proud to accept an invitation to the Heartbeats Legacy Society.

I consent for my name to appear with others on the public roster of the Heartbeats Legacy Society. My name should appear as:

I wish to remain anonymous.
