Post-Abortive Ministry

5 women experienced restoration through *Surrendering the Secret*, an 8-week Bible study. This is a safe, confidential, and compassionate place for women to begin the process of healing after abortion.

4 men experienced healing in *Repairing His Story*, a 5-week Bible study for men who have lost a child to abortion.

"The day of my abortion, I felt as though more had been taken from me than just my baby. I felt as though I had lost my sense of purpose and self worth. Heartbeats held my hand both literally and figuratively as I mourned the loss of my child and accepted both love and complete emotional healing. Most of all, I felt lovable again which was nothing short of miraculous!" -Nicole
